

Ionia Large enough for city advantages...small enough to know your neighbors.

Our heritage..... Located in the Michigan heartland, settlers arrived in 1833 determined to establish a good life. They began a pattern of productivity and family values that continue today. Visual reminders of that period are a downtown listed on the National Register of Historic Places and many breathtaking turn-of-the-century homes, which reflect our rich heritage.

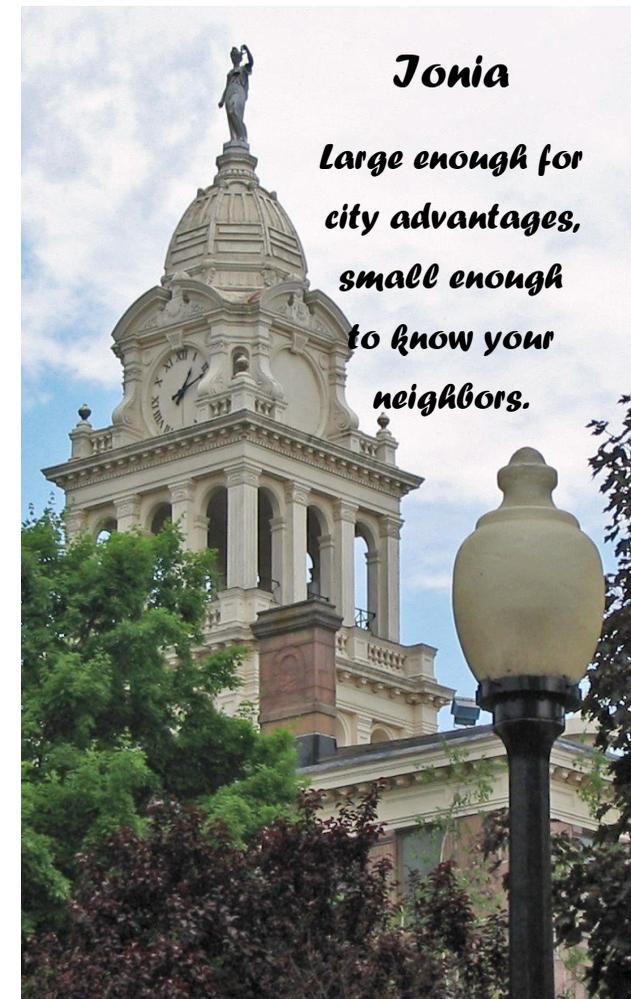

Our community..... All of the traditional small city living continues, characterized by a strong work ethic and solid family values. Business owners find Ionia filled with blossoming opportunities and growing commerce. From the Orchard View Industrial Park to the Main Street Business District, Ionia has a place for you. Public education is not limited to K-12 but continues to college level through nearby Montcalm Community College and Michigan State University in East Lansing. Ionia is also a center for healthcare facilities. Sparrow Ionia Hospital is proudly recognized by the Joint Commission on Accreditation of Healthcare Organizations and offers an expansive range of care, including general and specialized surgery, orthopedic care, a cardiology clinic, 24 hour emergency services, and much more. The City of Ionia is a full service city that residents look to for a myriad of top-notch services, including a fully cross-trained Public Safety Department, a robust Parks and Recreation Department with nearly twenty different park facilities, and a well-maintained water and sanitary sewer system featuring affordably priced rates.

Our invitation..... Ionia residents have a variety of shopping options. The downtown Main Street Business District provides an interesting mix of specialty shops and services, many owned and operated by your neighbors and friends. Larger retail businesses line the M-66 corridor minutes from the city limits and provide something for everyone. A growing selection of restaurants offer a full array of menu delights for those on the go or for that special evening out on the town. Ionia is fortunate to be located where numerous sports and outdoor activities are close at hand. Whether your pleasure is summer activities, winter fun or just relaxing, you will find it in Ionia. Six inland lakes surround Ionia and Lake Michigan is just a 90 minute drive away. From golf courses to campgrounds, all are within easy reach for fun, rest and relaxation. City walkways and the Fred Meijer Grand River Valley Rail Trail systems are close at hand for that leisurely stroll or competitive run. The Ionia Free Fair, one of Michigan's largest outdoor events, is host to the "Ten Best Days of Summer" annually in mid-July. The Fairgrounds are also home to special events including concerts, sporting events, Agri-science and livestock competitions, arts and crafts fairs and so much more. The Ionia Theatre is a landmark on its own and is located on Main Street. It offers first run movies as well as occasional live bands, theatrical and other performances. From live entertainment to your favorite movie, you will find it at the Ionia Theatre.

Our vision..... As a Certified Redevelopment Ready Community (RRC), the City of Ionia has taken proactive steps that foster a vibrant community atmosphere and competitive place for development opportunities. The City embraces new businesses, residents, and visitors by creating an environment hospitable to all.

Again, we invite you to visit our community. Our residents are stewards of kindness and will welcome you with open arms.

Jonia
Large enough for
city advantages,
small enough
to know your
neighbors.

A rich heritage, a prosperous
present and a bright future.

Ionia is a great place to visit, work, play, and live. This guide to our city is merely an introduction to the many outstanding features of the Ionia area. From cross country skiing to taking a leisurely stroll on the Fred Meijer Grand River Valley Rail Trail, you will find it in Ionia, a community for all seasons.
